Choose a topic below and create a ppt, sway or if you are not a huge fan of technology then make a hand-made picture poster to show your knowledge about the topic you have chosen.

Teen Trends

It is not easy to be a teenager today and we are interested in your view in it. What are some of the most popular trends with teenagers nowadays? What are some of the trends that you follow, like, don't like or think are silly? How do trends influence your choices, behaviour and habits? Is it really cringe to read?

Travel Bucket List

Travelling broadens our horizons that is for sure so we would like to encourage you to create and present your travel bucket list. Discuss the destinations, experiences and cultural aspects that intrigue you.

Balancing Extracurriculars

Are you busy after leaving school? What after school activities do you pursue? Is it okay to have too many afternoon activities? Explore the benefits and challenges of participating in multiple extracurricular activities. Discuss time management, passion and personal growth.
