Hi Maria,

Do you remember me? My name's Ben Sanders, I'm 20 and I'm British. I live in a small flat in north London and I work as a secretary for a big computer company in central London. I travel to work on the underground, but I often work at home. I don't smoke but I drink coffee.

What else can I tell you about myself? My family lives in Brighton. I have one brother and one sister. My brother works as a waiter and my sister is a nurse. Their names are Harry and Liz. My parents are both teachers.

I love sport. I play football and basketball a few times a month and I watch all the best matches on TV. My favourite food is Mexican. I'm very lucky because my brother works in a Mexican restaurant, so I eat there when I visit my family. I study Italian in my free time because one day I want to live in Italy.

Please write and tell me about yourself.

Best wishes, Ben
