Subject: hi from Alessandra

Hi Daniel,

My name has Alessandra. It's an italian name because my grandmother was from Italy but I'm Argentinian and I live in Mendosa. It's a bigg city in the west of the country. I live with my parents and my tvo brothers. I'm 19 year old and I'm a student. I am studing computer science and I really enjoy it.

As you can see from the foto I have long hair and greens eyes. I'm tall and slim. I wear glasses but I would like to get contact lenses soon.

I think I'm a positive person and I'm very frendly. My mother says that I'm very talkative, but I thing it's all right.

In my free time I love reading and going to the sinema. On friday I have English classes which I like very much. I don't have much free time becuse I have classes every days and I sometimes study at the weekend too.

Please write soon and tell me about your life. ☺
