

A versenyző neve: Iskolája neve: Felkészítő tanára: I. forduló pontszáma:/50

Kedves 6. osztályosok!

Ebben a tanévben lehetőségetek nyílik az angol versenyt online megoldani és beküldeni.

Ehhez nem kell mást tennetek, mint felkeresni a www.redmenta.com weboldalt és regisztrálni. A regisztráció után a Direktcím mezőbe írjátok be a verseny kódját: **6osztalyo3872**. Így egyszerűen elérhetitek a „6. osztályosok angol nyelvi versenye” csoportot, és jelentkezhetek a csoportba. Ott én visszaigazolom a jelentkezéseket, és már csinálhatjátok is a feladatlapot.

Figyelem! Ott is csak egyszer oldhatjátok meg a feladatsort. Javaslom, hogy számítógépen vagy táblagépen dolgozzatok, ne telefonon.

Amennyiben továbbra is a hagyományos módon szeretnétek kitölteni a feladatlapot, akkor azt kinyomtatva, kitöltve várom az iskola címére:

Neumann János Gimnázium, Szakgimnázium és Kollégium
3300 Eger
Rákóczi u. 48.

A borítékra írjátok rá: 6. osztályosok angol nyelvi versenye!

Információ: 36/536-070 Bodó Szilvia tanárnő

Jó munkát kívánok!

Bodó Szilvia tanárnő

6. osztályosok angol nyelvi versenye, első forduló

- a. winter spring summer _____
- b. first second third _____
- c. Monday Tuesday Wednesday _____
- d. March April May _____
- e. nine ten eleven _____

Points: ___/5

6. Read the text.

Technology will help children to be polite. Amazon has a new children's **1) virtual assistant**, called "FreeTime". This has a "Magic Word" **2) feature**. Actually, there are two magic words: "Please," and: "Thank you." It **3) encourages** children to say these two words when they ask questions. After a child asks FreeTime a question, it will answer and then say: "Thank you for asking so nicely." Amazon hopes children will copy this and be more polite.

Magic Word is for people who think technology teaches children to be rude. Parents say children copy **4) devices** and forget to say "please" or "thank you". Not everyone is happy with this new technology. A campaign group said: "AI (Artificial Intelligence) devices [get in the way of] face-to-face **5) interactions** and...play that children need to grow." It said parents should spend time with children and teach them to be polite.

a. Write the numbers of the highlighted words with their definitions.

- A. communication
- B. give support, confidence, hope
- C. computer based helper
- D. important part or typical quality
- E. electronic equipment

b. Decide whether the statements are true or false.

- Amazon's new invention wants to teach children to be more polite. TRUE/FALSE
- 'Please' and 'Thank you' are magic words. TRUE/FALSE
- Free Time cannot answer questions. TRUE/FALSE
- Everybody is happy with this virtual assistant. TRUE/FALSE
- A campaign group said that AI devices help face-to-face talk. TRUE/FALSE

Points: ____/10
