7.osztályosok angol nyelvi versenye 2019/2020. 3. forduló

Choose a topic below and create a ppt, sway or if you are not a big fan of technology then a hand-made poster to show your knowledge about the topic you have chosen.

1. Little Environmentalist

Do you what a *habitat* is and why some habitats are close to total disappearance? If not, the time has arrived for you to be engaged in this topic. Collect information about natural habitats, in Hungary too, and in your presentation talk about:

- location
- animals, plants living there
- importance
- how to help protect them

2. A better tomorrow

No one really knows what the future holds for our life on Earth. What's your opinion? How can you imagine our better tomorrow and what can be done *today* to get it? In your presentation involve:

- people's everyday activities
- schools, subjects, classrooms
- environment

3. Traffic Improvement

Are you fed up with the constant traffic noise, congestions and pollution? Is it difficult for you to move either by bike or by car? Do you have ideas for improvements? Then this is your topic. In your presentation when you come up with solutions think about:

- parking
- congestion
- pedestrians
- cyclists
- the speed limit
