Choose one of the topics below and write a composition of 180-200 words.

***'It happened to me'***

Imagine you were an eye witness to a natural disaster. Write your account for an online magazine. In your account include the followings:

- what happened and when

- where you were
- how people were feeling
- who helped and how

***'A surprising find'***

Write a story beginning with the following sentence:

*When I was walking home the other day, I happened to notice a colourful, fluffy toy on the pavement.*

**'My favourite computer game'**

Computer games are still really popular with kids of all ages and of nationalities. Most parents feel these games are harmful and dangerous as they don't have educational values. Describe your favourite computer game and convince your parents it is worth trying.
